MAYOR'S COURT.

An Unusual Number of Petit Cases Found Out Yesterday Afternoon.

There was an unusually large crowd in the mayor's court yesterday afternoon when his honor took the bench and called the first case.

William Driest walked out and stated that it was the first time he was ever up for drunkenness, and so help him Phoebe, it would be the last.

An impudent Afro-American named Pat Tablin, alias John Price, pleaded not guilty to disorderly conduct and the case was continued until next Monday at 2 o'clock.

William Ayers, charged with being drunk at a disorderly, pleaded guilty to being disorderly, but said he was not drunk.

These fights are becoming altogether too frequent and I'll just give you \$5 and costs.

Another case against Ayers was dismissed. George Evans will be heard this afternoon for disorderly conduct.

Belle Mason, who had the trouble with William Ayers, was also given \$5 and costs.

Charles Hellman, Charles Tibbs, James McDonald and Clarence Marcus were all arraigned for loitering.

Samuel Cheek pleaded not guilty to the charge of disorderly conduct, and will be heard next Monday at two o'clock.

Ed. Goodfield was fined \$1 and costs for disturbing the Salvation Army.

Henry Hickman scratched his head thoughtfully when he was informed that there was a charge of disorderly conduct against him, but he pleaded not guilty.

Charles Jones stepped up and said: "I make a plea of guilty, Mr. Mayor, to the charge of disorderly." One dollar and costs.

The case of disorderly conduct against Frederick Digan was not called. It is not material, and it was the second call of the case, his bond was declared forfeited, and he was fined \$2 and costs.

James Berry and Cooper Lidwell were dismissed.

CONGRESSIONAL AMENITIES. Presentation to the Second English Lutheran Church by St. Paul Lutheran Church of York, Pa., of an Elegant Communion Service.

Friday evening at the Second English Lutheran church, corner Clinton and Boler streets, after a service appropriate to Good Friday, and preparatory to the communion of the Lord's Supper, to be administered next Sunday, there occurred a pleasant surprise, which will be long remembered by all who were present.

James Berry and Cooper Lidwell were dismissed.

BULLY BETAS.

Alpha Gamma Chapter, Beta Theta Pi Fraternity, of Wittenberg college, held an open session last night, the occasion being in the nature of a reception to the "Beta girls."

A Beta girl, *in person*, means simply a young lady in whom a member of the fraternity is personally interested and who reciprocates the feeling to the extent of constantly wearing the young man's fraternity pin.

When the fact is considered of their being so many fine fellows in Alpha Gamma chapter, the existence of a correspondingly large number of "Beta girls" ceases to be surprising.

The affair last night occurred in the handsomely furnished hall of the chapter in the Arcade building and was a very delightful occasion in all its features.

Sam Greenwald, chief of this district, delivered a forcible address on the general welfare of the fraternity.

Dr. Archie of Dayton closed the exercises by a ringing address on the advantages of membership in the Beta fraternity, and the affair closed at midnight with stirring Beta songs.

Springfield Ladies Honored. Mrs. E. C. Middleton, of this city, already well and favorably known on the local stage, has been tendered and accepted a position for the summer with the stock dramatic company at Memorial Hall, the handsome theater at the National Soldiers' Home at Dayton.

The engagement covers the usual summer season of ten weeks, and Mrs. Middleton will play *sonnettes* part exclusively. It goes without saying that the talented lady will make a distinct success of her engagement, and the company is to be congratulated upon her engagement.

Miss Anna Voll, our talented little cantatrice, yesterday received and accepted an offer to travel for the summer season with the DeWolfe Quartette, of Cincinnati, under the direction of the eminent conductor, Prof. S. E. Jacobson.

This company will appear at the Grand Tuesday evening, April 23rd. Truly and absolutely the grandest organization on the face of the globe. A grand success from coast to coast. Read what the Pittsburg Press says:

It is a matter of sincere regret on the part of the address of negro minstrelsy that the engagement of Mrs. N. S. Johnson & Slavin's minstrel in this city will include but three performances.

Secure your seats now at Carter's.

Springfield People in Cincinnati. At the annual session of the Miami Congregational Conference, held in the Stores-church, Cincinnati, Tuesday, Wednesday and Thursday, Charles E. Folger gave a very interesting and complete account of the work and progress of the church here and of the Lagonda avenue chapel enterprise.

Local Shootists Advance. The following was received at this office this morning, and is self-explanatory: SPRINGFIELD, April 24, '86.

Seeing some of the shooting at the late tournament and hearing of the wonderful series of Warden and Parsons at Springfield and Indianapolis, will say that I will match a gentleman from Logan county to shoot 100 birds, the accepting party to name the kind, for from \$100 to \$500 a side.

Suit Filed of Popular Plays. The Melville Sisters' Dramatic Company a very successful organization will inaugurate a week's engagement at Black's opera house next Monday evening, April 20th, opening with McKee Rankin's great play, "The Danites."

Present, is in a condition that would not yield to disorderly to a country road road. Yes, to a back-country cow-path. It is full of ruts and holes and is worn and out of all semblance to a public thoroughfare.

CONSUMPTION CAN BE CURED.

The success that has uniformly marked the use of GOOCH'S MEXICAN SYRUP in the treatment of this disease justifies this statement.

Consumption is the result of the food material that should go to support the body and sustain life being absorbed and thrown off in tuberculous matter. To overcome this waste of vital force and restore the nourishment to the system in its natural course is to cure. This is accomplished by this Syrup. It at once stops the disease by preventing the further supply of matter, because while the system is under its influence all nourishment is organized and assimilated.

Gooch's Mexican Syrup has Cured Thousands and will Cure you.

This is no Patent Medicine, but is prepared under the personal supervision of Mr. Gooch from a prescription by Dr. Antonio Garcia, that has stood the test of time and the formula is open to the inspection of any reputable physician.
